#### Clarification of News Report

We write in connection with the request for clarification pertaining to the news article entitled "Dito sees profitability in 5 years" posted in philSTAR.com on March 12, 2021. The article reported in part that:

"MANILA, Philippines — New telco player Dito Telecommunity expects to be profitable in five years as it seeks to capture a significant share of the market by then.

Dito chief administrative officer Adel Tamano in Senate committee on public services hearing yesterday said the telco newcomer owned by the group of Davao-based businessman Dennis Uy and state owned China Telecommunications should generate positive EBITDA in three years, and achieve 'true profitability' in five years.

'In terms of EBITDA, we would already be positive by the third year of operations and by the fifth year, we would have paid off our loans and have achieved true profitability,' Tamano said.

....

Tamano said the company's services should reach Metro Manila by May or June.

'Our end goal is to have at least more than 30 percent market share,' he said.

Dito is eyeing to introduce its fixed broadband services to home users in the next two years.

...."

Based on information relayed to us by Dito Telecommunity Corp. ("Dito Tel"), we confirm the statements made by its Dito Tel's chief administrative officer that (i) in terms of EBITDA, Dito Tel will be positive by the 3rd year of operations; (ii) by the 5th year, Dito Tel would have paid off loans and achieved profitability; (iii) Dito shall roll out its services in Metro Manila by May or June; and (iv) Dito's end goal is to have 30% market share. Also, Dito Tel confirmed that it is eyeing to introduce fixed broadband services to home users in the next 2 years.
