Clarification of News Report

We write in connection with the request for clarification pertaining to the news article entitled "Senate OKs bill renewing DITO franchise on 2nd reading" posted in GMA News Online on March 17, 2021. The article reported in part that:

"The Senate on Wednesday approved on second reading the measure seeking to renew for another 25 years the franchise of Mindanao Islamic Telephone Co. Inc., now known as the DITO Telecommunity Corporation, the third telco player in the country.

During the resumption of its plenary session, the chamber approved House Bill 7332 renewing the franchise of DITO to 'construct, establish, install, maintain and operate wire and/or wireless telecommunications system in the Philippines.'

The measure prohibits DITO to lease, transfer, sell, grant the usufruct or assign the franchise, rights or privileges, or its controlling interest with prior Congress approval.

It also authorizes the President the right to temporarily take over and operate the company's stations or facilities, temporarily suspend its operation in the interest of public safety, security and welfare, as well as to grant its temporary use and operation by any government agency in times of war, rebellion, public peril, calamity, or disturbance of peace and order.

Likewise, the measure requires the company to offer at least 30% of its outstanding stock to Filipino citizens in any security exchange in the Philippines or through other methods encouraging public participation.
